

Abercrombie Team Champs at 3rd Annual PGA Atlantic Pro-Junior

What a special day! The Abercrombie Country Club opened its doors for 88 young golfers to enjoy this wonderful game of golf. Twenty-nine teams of junior golfers accompanied by their PGA Professionals enjoyed a fun day.

Host PGA Professional Jon Garron and the Abercrombie Country Club were wonderful hosts with lots of food, drinks and prizes for all of the junior players. The pro shop staff including Julia Henderson and Clifford Tye were extremely supportive of our next generation of golfers.

Stephanie Best and her son Carson kept the barbeque going with all players enjoying a great deal of food and drinks. The staff in the dining room were great with the kids. Kimberley Garron who handled the registration and pictures was very popular especially when handing out the ice cream!

The day was more about fun however the competition resulted one of the host teams winning the event with junior team members Taylor Long, Cullen Park, Cayden MacDonald captained by Julia Henderson.
